MAX GROUP

Traditional Production of Healthy FOOD

How we work:

At Max Group Food, we don't just produce dairy products— we build relationships.

We believe that people are just as important as process. And we serve as your partner from day one, combining passion with expertise to deliver the right result for you.

Our customers have a choice, and how we perform determines whether they choose us. We aim high, set ambitious goals and deliver results, and we use customer feedback to recalibrate when necessary.

MAX GROUP FOOD PRODUCES:

- Unsalted Butter;
- Blended Butter;
- Butter Ghee;
- Mozzarella.

About us:

- One of the leading ukrainian exporters of unsalted butter and blended butter;
- 18 countries, which our products are represented;
- Superior and high-quality products;
- Our products are made with the integrity world-class food safety and quality systems;
- Providing private label;
- Development of individual recipes;
- Business solutions.
